“ *Brandon and Brandi lived with us for awhile. One of the funny things is she loved her chocolate and would stash it in the fridge or some drawer until we found her hiding places. One of the happiest memories is when Brandi made the decision to put on Christ and be baptized. Brandi would write us letters while she was away quoting bible scriptures. I know she loved her family and so proud of her her children. I think Brandi knew I loved her and wanted the best for her. Blessings, The Lundy Family*

Brandi and Brandon lived with us for awhile and I got to know Brandi. I know Brandi loved her chocolate. She would have a stash hidden in the fridge until we all found it. I loved to hear her laugh. I was most proud of her when she made the decision to be baptized. She would tell me she read her bible and when she was away and quoted us scriptures to read. She loved her children and was so proud of them. Blessings and prayers to all the family, Paul, Pam, Brandon and Trent
