Crystal Daniels Words seem inadequate at a time like this but know that I am sending my love, thoughts and prayers for you and the family at this time of great sorrow. Here is a poem that I hope brings you comfort in the days to come.

*I Live On Don't cry for me in sadness; don't weep for me in sorrow,
For I will be beside you, as sure as comes tomorrow. My body has gone but my spirit lives on, as does my love For you. Just as in life.
I'll watch over you, I always will be true. My blood lives on in my children, how I've watched them grow up with pride. I'll live on within them, always by their side. I know my jokes weren't always funny and jobs weren't Always done. Just try and always remember the good times the days when We had fun. Reach out if you need me, for I will always be near. Just talk to me, as if I am there, I promise I will hear. For I'll live on, with in your mind, we'll never be apart, As long as you keep my memory, deep within your heart. So lift up your hearts, don't be sad, my spirit hasn't gone. While your still there, so am I .*

“ Thoughts and prayers going out to Brandy's family during this time. I only knew Brandy because my sister went to school with Brandy and her sister. She was always a pleasure to be around and get to know.

“ TO the family & friends of Brandy,
Brandy may have only spent a short time among us, but she was such a large presence in life that her impact will forever remain firmly in our hearts. We have lost a vital part of our family and the loss will always be felt strongly. Just as the love and memories she filled us with will remain with us. Please remember the love and laughter she brought to our lives as no one but she could. Remember the beautiful smile she would give you that would melt your heart! Brandy was the presence that filled a room with love and laughter... Those are the memories we will hold most dear...
SOAR WITH THE ANGELS BEAUTIFUL BRANDY... YOU NOW HAVE YOUR WINGS!!
