“ It is our pleasure to share our time with Brenda a few years ago when she was fairly healthy. We were in North Bend Washington staying at my sons house while Tom and Erma were on a trip. Brenda, Diana and myself were staying at the house together and we had the opportunity to live together for the week and to get to know each other in a more personal way. Brenda was a hoot to be around as she has a sarcastic sense of humor and you always know what she is thinking. We laughed together, ate together and thoroughly enjoyed each others company. Our thoughts about her are, she is a lot of fun, she speaks her mind and she is a lot of woman. We are glad she knows the Lord and know they are ready for who she is in Heaven. Looking forward to spending forever with her. Thoughts and prayers of love and comfort to all. Our temporary loss is heavens eternal gain.

“ So sorry to hear of the passing of your beautiful mother, Erma. You have honored her tremendously by your willingness to selflessly care for her. Even though I didn't know your Mom, I know how special her daughter is, and that speaks volumes. Our love and prayers are with you and Tom, and your family.
