“ Brenda and her daughter Brandi was there for me when I had no one. I loved them both more than words can express. I was lucky enough to get to spend a few wonderful days with her on Halloween. She seemed so happy but she missed Brandi so much and just wanted to be with her more than anything. I love you Mom and it breaks my heart that I can't even tell you "see ya later" bc her grandchildren won't allow me to come see you for the last time just as they done me at Brandi's service. Thank you for being my other mom for many years....

“ I remember when I first started working at Springfield Waffle House I was almost 19 years old. She was my second shift supervisor and I loved working with her she was like a work grandmother oh didn't she get on to me like she was. I love her and miss her and I know she is in a better place. Long live Brenda. Waffle House 1931.
