“ So sorry to learn of Brenda’s passing. I first met her back in the 90’s when she did hair for the ladies at NHC. I volunteered there and remember helping her do hair. Then I caught up with her years later when I found out she worked for the Sheriffs Office. She was always so nice and a wonderful person!

“ *Sorry to hear of Brenda's passing. Our families were very close and all of us cousins played together. Our families even lived together in the same house when we were very young children. When we grew up to school age, we rode the bus to school together. That would be grades 1 through 12. So I have lots "Brenda memories", all good ones.*

*She will be missed, but we have to remember that her soul is now in heaven, and we will meet up with her again. And make more good memories !*

“ Mrs Brenda was one of the sweetest people I have met since becoming a funeral director. She made so many burial gowns for me and would get custom orders ready for me very quickly. I loved her so much. She will greatly missed by myself and the many families she helped us serve with her beautiful talent to sew. Until we meet again Mrs Brenda. Thank you!
