“ My family and Brenda’s family went to church together in the 70’s and 80’s at Calvary Assembly of God in Donelson. Brenda was always such a beautiful person inside and out. Brenda was always so kind and sweet. I remember her being so active in the church teaching Sunday School classes, working with the Missionettes, and the Youth Groups. I would sometimes see her here in White House, and she would always remember me. She will truly be missed by so many. My thoughts and prayers are with her family and friends.

“ I don't remember a time in my life I didn't know Ms. Brenda . You see, Ms. Brenda led my mom to the Lord before I was born, and counseled her in her faith.

Then when I was a young woman, she became my teacher in Christ both in Sunday school and Missionettes at Millersville AOG .

Then again later in my life she was my Sunday school teacher at Zions Chapel AOG and counseled me in my faith, as I was a young mother of 4.

She went on to teach all 3 of my daughters the Love of Christ, through Missionettes.

She worked diligently for several years with my daughter Kaitie, who not only had ADP but struggled terribly with reading.

Kaitie had started learning about the Lord with Ms Brenda when she was very young in Rainbows class, and wanted very much to reach Honor Star which takes years of work.

You see, to be an Honor Star Kaitie had to read the entire New Testament and memorize a lot of it as well as complete course work, earn badges, it was a lot.

She had a whole class of girls and my Kaitie wasn't as fast as some of the others with her learning issues.

So she, taught the class and then went above and beyond , by hosting slumber parties, pizza parties and extra classes , spending Saturdays with her and endless hours helping her read, comprehend, memorize and complete workbooks on the whole New Testament. Then finally she did it. Brenda threw her a reception at the church and submitted it to the district.

This is a picture of Ms. Brenda and my daughter Kaitie the day she was crowned Honor Star.

Over the years, Ms. Brenda helped many young ladies reach this goal and I have no idea how many , but she told me that day was important to her because This would be her last Honor ceremony, Kaitie was her last Honor Star and how proud she was of my daughter.

I am telling this to share how proud I am to know a women who spent her entire life leading other women to Christ and holding them up to him.

*I have prayed and requested of the Lord to reward her overwhelmingly abundant, because she is the reason my whole family knows, loves, and wishes to serve Christ. She was a Blessing to us all.*

*Praise God for the Life of Brenda Mcmicheal, because you see, she led my Mother to the Lord before I was born.*

*Your sister in Christ*
