I am still in shock. My beautiful friend is gone. She called me almost everyday and we would chat and laugh together. She was just teasing me on Friday for running around like a chicken with my head cut off. Today I kept staring at my phone at noon but it never rang. I am so sad and I miss my friend. My prayers go out to her mom and brother but my heart is absolutely broken for her kids. I am so glad that they have their Mimi and Uncle Eric to lean in for support. I keep hoping I will see Britnee Richards pop up on my phone but I know it won't. I miss you already my sweet friend. RIP!
