

Brittany Danette Dillard

April 5, 2001 - December 24, 2014

Brittany Danette Dillard age 13 died Wednesday, December 24, 2014 at Vanderbilt Childrens Hospital. Visitation with the family will be held in the Chapel of Austin & Bell Funeral Home in White House on Friday from 3:00pm - 8:00pm and Saturday 2:00pm - 4:00pm & 6:00pm - 8:00pm. There will be a private family service at a later date.

Brittany was born on April 5, 2001 in Nashville to Charles Jason and Shannon Danette Massey Dillard . She was an 8th grader at White House Heritage and was a member of the Soccer Team and Beta Club. She also was an avid hiker and loved fishing. She is remembered by the family as having beautiful green eyes, gorgeous freckles, and a smile that warmed your heart. At only 13 years of age, she had a graceful way of moving. If you ever saw her on the soccer field, you would see what a wonderful player and teammate she was. She loved soccer, her teammates, her friends, and mostly her family. Brittany was a truly considerate and kind person. Her talents shined in both academic and activities at Heritage School. She made us better just by knowing her.

She is survived by her parents, Jason and Shannon Dillard of White House and her brother, Blake Dillard of White House as well as grandparents, aunts, uncles, and cousins. AUSTIN & BELL FUNERAL HOME IN WHITE HOUSE is in charge of arrangements. (615)672-5000.

“ I remember that one day that me and Brittany were outside hanging out when she was being so funny and she fell and started bleeding and I ran inside and got the teacher I started crying that's how much I cared for her and I was inside waiting for her and I fell straight to the ground and stared balling my eye's out again I just miss her so much I want her to come home and see that bright smile of hers that would light up everyone's day and I know that some people didn't like her but even if they didn't like her they still cared for her. please come back we all love you and miss you even Sadie misses you and we will never forget that one day that we were hanging out. My baby cousin was just born and died hope you get to meet him up in heaven I know that god will take care of you and my baby cousin. I MISS/LOVE YOU.WE ALL LOVE YOU PLEASE COME BACK

“ *I did not know Brittany but I can tell just from her picture that she was a beautiful and wonderful child. My sister told me of this tragic death and my heart just sank. I cannot imagine what you as parents and her brother must be going through. Know that you are loved and that many people are praying for and with you. Keep your faith, focus on the good times you had with her and God will carry you through this. With love and sympathy the McCollum family*

“ I remember when I was hanging with Brittany and I took her to sonic to get us a treat. Pink came on the radio and the part where Pink says "raise your glass" (at the same time) Brittany and I raised up our cups and partied with Pink for a moment and then cracked up laughing cause we knew we were as cool as Pink.
