“ Roger impacted many lives including mine while living in South Carolina. I first got to know Roger in 2007 while we were both working in Hampton Lake. A few years later both he and my husband were diagnosed with cancer. My husband died in early 2011. Since then Roger became a dear friend as we shared through discussions the awful effects of the disease. He was so brave yet I saw his struggles and the terrible pain he suffered through day after day. He never gave up the fight to beat cancer, even when it appeared there was no hope. Never thinking of himself, he witnessed to my son on several occasions in the past year and offered support in help my son overcome addictions. Roger was a wonderful human being...God rest his soul.

“ I did not see Bubba often, but I remember one time when he came to Maryville with his wife Jeannie and his father Roger Sr. Some of us Blackwood cousins met at Gracies Country Restaurant to eat and visit and we had a really nice time. It is too bad that we did not do that more often! What a sweet man he was and I enjoyed him and Jeannie so much!!

“ Although I never met Roger in person, I considered him a great friend. I met Roger in our internet spades league 4 years ago. We chatted frequently about anything and everything. We shared lots of laughs and tears .

My prayers go out to the family. I know Roger is at peace but he will be missed dearly.

“ I met Roger through an online spades league where we were on the same team. The first time we partnered up the game didn't go so well,I made several mistakes. After the game he told me I played pathetic lol. I was upset and hurt for a while. Some time later we partnered again and things turned around. We began to click as spade partners. Then I had an accident and broke both legs and this was around the same time he became ill. I never met him in real life but created a friendship. He checked on me even when he was in pain and dealing with his issues, and I checked on him as well. He will be greatly missed on our team and as a friend. I am hoping when we get to heaven the Lord will allow a truly friendly spades league and I will get to meet Roger face to face,, in bodies that will no longer suffer from cancer and where there will be no more pain. My sincerest condolences to Roger's wife and family!

Roger, i'm sorry to hear about Bubba. I don't recall ever seeing him when he wasn't grinning. He was a good kid. Now that you and I are "old people" we should be relishing out best memories and without a doubt our children are at the top of the list. I hope and encourage you to find the strength to bear the unbearable. My best to you and your family. Steve Cassard
