“ Just a little note to say, my heart was heavy this morning when I heard about Candice. She was a friend and a joy to be around. I will always remember our revival times together when she would sing just for me. Please know that I loved her and my prayers are with you. May our Lord shine on you today! Michael

“ above, even the sources Tom listd point to a degree of uncertainty around the extent and control of the trade. Indeed, the link Tom provides to a U.S. gov't report doesn't exactly inspire confidence in the claims when they are supported by the likes of Grassley and Helms whom themselves cite press reports about the drug trade. The NPR report seems to have as its main source a storekeeper in the U.S. who claims to have been in Km's inner circle at one time. Should I apologize for being dubious? As I said above, I don't doubt that all kinds of illegal activity goes on inside the North, some of it might even go on at the behest of a gov't desperately seeking foreign currency. But to say it's uncontroversial probably says more about the diplomatic stupidity of the DPRK as it does about the strength of the evidence.

“ Candice was one of my students at the rehab center. She was always so happy and loved to laugh. I will always remember seeing her at softball games and how she stopped to talk to everyone. Such a sweet, friendly girl. She touched a lot of lives and will be missed.

“ Elaine and Steve,
Candice brought much joy to the world and all she met as she journeyed through life. I know she is singing with the saints now as that was her glory here on earth. She sang for me when I visited my sister's Busy Bee luncheons at SHS.
I will let "Mrs. Kirby" know about Candice.
