

Carl Wesley Brad Hester

February 2, 1981 - June 16, 2022

Age 41 of Portland passed away unexpectedly Thursday, June 16, 2022 in Gallatin. He was born February 2, 1981 to Anthony Rex & Liane Mary Baldwin Hester in San Antonio, Texas. He was employed as a sheet metal worker for HSK. He always stated that the biggest accomplishment in his life was his son, Eythin. And if only did one thing right in his life, it was his son. He loved nature and often went hiking. He loved practicing survival techniques. He loved to fish, and spent many a lunch hour fishing with his work family (sometimes it was a long lunch. Don't tell the boss). He loved many genres of music, but was an avid Johnny Cash fan. He placed flowers on the graves of Johnny and June Carter Cash every year. He was affectionately known as Uncle C by his two nephews (Dylan and Braxton) and his niece (Alexis). He was very proud of his British Heritage. He is preceded in death by his paternal grandfather, Melvin Lee Hester. He is survived by his father, Anthony Hester, Scottsville, KY; mother Liane Hester, North Liberty, IN; son, Eythin Anthony Hester, Portland, TN; brother, Justin (Shannon) Hester, Cottontown, TN; sister, Kristy (Alan Baugher) Hester, North Liberty, IN; paternal grandmother, Gaynell Hester, Mount Washington, KY; maternal grandparents; Malcolm & Gillian Baldwin, Machynlleth, UK; many Uncles and Aunts scattered around the world. He had many friends that to him were like family. There are no services or visitation planned at this time. A memorial service is being planned for a later date to honor his life and this obituary will be updated with that information. "You have to be what you are. Whatever you are, you gotta be it"
