“ I just knew Carl for a short time as I attended Maurice's Sunday School class at Brentwood Baptist with him and Audrey. He was a blessing to me in his comments in class and when he would break out in a song and the class would join in with him. I'm so grateful God allowed me to cross paths with Carl and Audrey. He is sing in God's choir now. My prayers are with Audrey and the family.

“ It was my privilege to have Carl and Audrey in my Sunday morning Bible study for half of each year. They received excellent Bible study in Florida during the other half. Carl always had a smile, a cheerful word, great memories and stories of his several mission trips, and would sometimes break into hymns which would, naturally, collect the rest of us in precious memories. He was a Bible student who participated in our discussions. And, Audrey told me that he explained many Scripture passages to her. Our memories of Carl will remain fresh, and our view will be toward worshipping Jesus with Carl in Paradise. He wore out his body on Earth and is now wearing a crown. What an example!

“ Met Carl and Audrey in class at Brentwood Baptist several years ago. We became good friends and Carl always called me "Cuz" —we loved to kid around. Had fun times in Florida with them too. Love this couple and he will always be remember as my "Cuz."

“ Audrey & Family, I met Carl about 50 years ago when I started working at Ford where Carl's nickname was "Snuffy". Carl was an excellent electrician with an excellent work attitude!
More recently, it has been very special for Margie & me to reconnect at Brentwood Baptist Church.
Carl served at BBC's VBS in his 80's! We loved hearing about his many mission trip memories. We chuckled as lively Carl smiled, telling us he was just a "recycled teenager"!
Carl will be MISSED! Audrey,we continue to pray for you & your Family with your great LOSS. Comfort & Love in Jesus' Name,
Joe (former Ford plant manager) & Margie Hudson
