“ *Teresa, I know that right there is nothing we can say or do to ease your pain. All we can do is love you as we always have, and pray that God wraps His arms around you and comforts you and gives you peace in time. Please know that we are all here for you...night or day. May God Bless you and your family.*

“ Praying for you all and sending love and sympathy. I love you Teresa, and am so sorry your beautiful girl is not with us. But she is with Jesus and knows all secrets kept from us while we are here. You are loved and just know how much I am praying for you and the family.

“ *Teresa, my heart truly goes out to you. I can only pray that Tiffany and Carla are hanging out in Heaven and not seeing our tears and feeling our pains. i love you sooooo much. trust me when i say there are no words of comfort that will ease your pain right now. ive heard them all in the past 2 weeks. i do know that God wont put more on us than we can bear. and i know that we will miss our little girls for the rest of ours lives.*
