“ Carol and I began work at National Life the same day, June 15, 1964. We lost contact over the years but I will never the fun we had working together. I saw her just a few years back when we both went on a seniors trip to the Cabaret. She was still the sweet person I remembered. We chatted about old times and I discovered that she had moved to Pleasant View. I will always remember Carol as one of my best work buddies.
