“ *To all of the family, I am so very sorry for your loss. Carol was a sweet lady that was well loved and loved others in return. I've only been a bystander praying along with Jan for the last year, but even in that, have seen the wonderful legacy Carol will leave. She is dancing with the Angels and God has made her whole. You all will be in my prayers.*

“ *I'm so sorry for your great loss. I've known Carol since high school, but had lost touch with her after she left the middle school. She was always a wonderful person, and born to be a mother. She mothered many of us in high school. I know few, if any, people that were better than Carol. Love to all of your wonderful family. My heart and prayers are with you.*
