“ When you rejoiced and celebrated ~ did I dance along side you? When you were happy and light-hearted ~ was I close by to share in that moment? When you were down ~ did I lift you up? When you were discouraged ~ did I encourage you? When you were sad ~ did I make you smile? When you needed a shoulder to cry on ~ was mine there? When you needed someone to listen ~ were my ears open? When your heart was breaking ~ did I cry with you? When you were lonely ~ was I your friend? When you awakened in your dark place ~ could I have shared my light with you? Had I only known what you were facing ~ could I have made a difference, offered you another way out, held you in my arms, praying for a miracle with you? Would any of this pain be less ~ could I have been a better friend?

Many questions, no answers right now for a family left to deal with the loss of their Mom, grandma, wife, sister, daughter and friend. Our prayers for this family and the days, weeks ahead as they walk through this very sad time. May you find comfort and strength in the arms of Jesus!

Carol Ray Perry Legate: you will be and are greatly missed and loved. May your soul finally be at rest and peace!
