“ Bobby and Carla so sorry for the loss of your mother. She was always a sweet and caring lady every time I was around her. I know she will be missed by all who knew her. Praying God will give you strength and comfort as only he can. We are so sorry we can not be with you during visitation and the service. Herman is down with his back and on bed rest before they decide to do anything else. I just had some dental surgery, so we are just falling apart. Just know we are thinking of you and send our love. *Carol, "Nancy Carol" as I have always known her, was a sparkle every where she went ---and was so all her life. My mom babysat Carol and Glenda so I have many memories if preschool years with them. Carol loved to tell that I gave her the scar across her nose. I was trimming a pencil with a butcher knife (at preschool age mind you!) and Carol got too close. Imagine! But that scar only added to Carol's twinkly smile. She lived a life of charismatic charm and she will be missed by everyone who had the pleasure of knowing her.*

“ *I will always love Ms. Carol like a mother, and dear friend. The office will never be the same without her. I will always remember the times walking through the office and saying, "Carol!" and hearing her say, "Present!!" It was something only the two of us understood. Heaven truly gained an angel today. I will never forget you Carol. Keep my parents in line until I get there! I love you my friend, and will never forget you. <3*

“ *Out of the 6 years I've worked with Carol the moments that are most memorable to me is when her and I shared our families together. We shared our families to get to know one another. To learn each other's personalities. We had our ups and downs but more ups than downs. We had a mother / daughter relationship that no one would understand but us. It was not to replace anybody but that's how we were. I had a lot to tell her and I can't now but I know that she's in a better place. I will talk to her only in my prayers and dreams now. I love you Carol!*
