“ *My condolences to the family.  
I have fond memories of Carolyn's kind heart and generosity shown to many in our community.  
I'll never forget their generosity towards my Mother when she needed groceries and didn't have money until the 1st of the month .  
Our Mother had to raise 5 boys all in grade school when our Father passed away and Ike and Carolyn would many times extend her credit till she could pay .  
Our community has lost yet another wonderful soul.  
They always put people in front of money .  
You don't see that anymore these days but the Lord blessed them with kind and caring hearts and they chose to bless other less fortunate.  
I will always remember this of them :)  
Scotty Young and the entire Young family extends our sincere condolences during this difficult time.*
