“ *Jernigan family, May Yahweh console you during this time of sorrow. I will have many fond memories of Mrs. Jernigan. I was very grateful what she had done for Danny and my reception in Tennessee. I am also grateful that this last summer after I picked some blackberries at their house I had time to just enjoy her time. I will always remember the last time I saw her. As we were leaving her room from the hospital, she had this sheepish grin everything will be ok.
May Yahweh Blessed you.*

“ *Mr. Jernigan, Scott and family. May Yahweh bless, keep and console you during this time of sorrow.*

Every time I see the first strawberries of spring I remember with fondness Carolyn and her wonderful freezer jam. Some of my favorite memories are those times my daughters (Becky and Beth) would drink the "milk with cream on top" from "Mr. and Mrs. Jernigan's cows".

We are thankful to Yahweh for the blessing of knowing Carolyn and you all.

“ *Jernigan family, you have our sincere condolences. Walter, we have wonderful memories of the good times we shared with you and Carolyn, especially the times we visited you in Tennessee. We thank you for all the wonderful memories. Walter, may you find comfort in your memories of your beloved wife Carolyn. And may you find comfort in knowing she was a woman of Yahweh. May Yahweh be with you in your time of mourning. Again, you and your family have our sincere condolences and are in our thoughts and prayers.*

“ I remember my family summer trips to Tennessee to see the Jernigan Family. Ms. Carolyn (whom we affectionately called Momma Jernigan) and Daddy Jernigan are a large part of those memories. We would explore the farms, look at the cows, dig up arrow heads, and so many other fun activities that we looked forward to. Daddy Jernigan taught us how to shoot a shot gun and I remember him telling me - “Be careful little lady – the kick back will blow you away!” He stood right behind us to make sure we did not get hurt. Momma Jernigan would make us wonderful southern style meals and the best sweet tea! Daddy Jernigan, Mr. Scott, Ms. Amanda, and Uncle Kenny – I am so sorry for your loss!! We love you very much and I pray that you find comfort in your love of Yahweh as he is the greatest comforter of all. Miss you! Yall are always and have always been in our prayers. “ Mrs. Carolyn was blessed to be a true Provs. 31 woman with the addition of beauty and grace. There are 2 memories that I'll never forget; the first was when we were sitting pretty close to each other in services and she saw a really big spider and pointed it out to me. She was so calm that I felt impelled to constrain my fear and I just walked over and stepped on it. At no other time have I ever reacted like that with a live insect, but her example affected me to act reasonably. Praise Yahweh because I would have surely embarrassed myself. The other time was when we visited her in her home and she was cooking a particular 'onions, squash and zucchini dish' that my mother always cooked and it tasted exactly like my moms. Having just lost my mom (at that time) it brought back really nice memories. I've never been able to duplicate that taste when I cook it. Anyway, it was so good.

To her family, I pray that Yahweh will continue to comfort you in your (our) loss. Shalom.

“ One of my earliest memories of Mrs. Carolyn was when I was 5 years old, when I first remember meeting her and the family. She used to have a strawberry patch by her house. I remember picking strawberries with her and asking her if we can make strawberry shortcake. I remember going to the store with her to get the ingredients and helping her make it. Although I have more memories of her, this one always sticks out, because it is one of my most cherished childhood memories. We love you and may you rest in peace.

“You will never be forgotten, we pledge to you today, a hallowed place within our hearts is where you'll always stay.”

I am going to miss this wonderful woman. I will always treasure the memories of staying with Miss Carolyn and Mr. Walter during many Pentecosts. She was such a sweet woman, and I always enjoyed our conversations. She always cooked special treats when we visited (and would battle for "Who had the best pecan pie" with Miss Amanda :-P) and whenever I think of her, the picture I see is her smiling in her kitchen. Miss Carolyn was a strong woman and truly "fought the good fight".
