“ Dear sweet girl, you just a few days it will be one year that we lost your sweet presence on this Earth. It still doesn't seem real that you're not here with us. Brandy and I have been reminiscing about all the wonderful times we shared as a family. You are without a doubt, the most Gentle Spirit in all my life that I've ever met. Sweet sister, your gentle loving spirit is missed!
Your grandchildren are the most beautiful and precious little things, when I look at them, I see you. I see you in your children. I see you in every sunset, every star in the sky.
I think about you every single day, and how I would give my own life for you to be with us again. I would give anything to hear the words "don't worry about me" My Sissy's song.
I will love and miss you this day, until my very last day! So rest In the Arms of Jesus, my love.

I'm so sorry for the families loss. When I first met the twins they were little girls. When I ask my son (Poobear) if he remembered the girls (he's about 11 years younger than them) he said to me " yes and they were some beautiful girls mama." Beautiful they will always be. My thoughts and prayers are with all of you...Melinda Powell..Harold and Betty's sister
