“ Oh my goodness. I just learned of Celeste's passing literally five minutes ago. What a mother she was! Kendall and Jennifer, she loved you both so, so much and celebrated all of your accomplishments. Most of all, she loved how much you care for others, your independent and fearless spirits, and how you chase your dreams. I am grateful for how she helped me in decorating a home with my father (and her father-your grandfather- and my father were old friends-so Nashville). Celeste was a light in this world that will NEVER go out. I know that she is watching us all from above and sending love through memories to both of you. I am here for anything and am truly grateful to have known your mother. With love, Ellen Reynolds

“ I will never forget the day Celeste came through rush at AE Chapter UT. What a joy she was. Full of smiles and laughter. I spent many joyous times with her in college and loved every minute of it. She was always up for anything and had a tremendous spirit. Her pledge class was so close and so devoted. I am heartbroken broken to hear of her passing. She was the type of person that one expected would live forever. Just a delight of an individual. Talented and Loving. AOT Celeste. I am glad we had some significant time together. Condolences to her family. Please know she was loved and adored by so many. Fly now, my angel.

“ Our family has such fond memories of Celeste and the girls when they were at Belle Meade Methodist Church childcare. We used to go out to eat at Sportsman’s Grill and have play dates for the children. Celeste was always laughing, and what a smile!! Those rosey cheeks! Fun, smart, a wonderful mother and friend. I will always remember her.

“ Our family is going to terribly miss our wonderful next door neighbor of nearly 25 years. As we are feeling this painful loss, I know we will carry with us a lot of sweet memories of our kind, strong, persevering, lovely neighbor & friend. Most notable about Celeste is the devoted mom that she was to her 2 precious daughters.. as well as an assortment of lucky fur babies she dearly loved over the years! Good bye for now Celeste. 🌸🙌🌸
