“ *Charlcie invited us to their family Christmas party one of our first years at Bethel church where both of our families went to church. Their family was all there to open presents. She, of course, didn't have a present for Paul so she wrapped up a hot wheels car and gave it to him all wrapped up. He still has that little car in a drawer in his dresser. She was always smiling and helping someone was her gift. I feel blessed that I ran into her a few weeks ago in Wal-mart and we got to catch up a little. Wonderful woman.*

“ *Mrs. Charlcie was such a beautiful example of what a Christian woman should be. She was always one of the first women at church to pray or speak with you. I remember when I was saved, she cried and gave me the biggest hug, welcoming me as her sister. As a nurse, Charlcie advised me when I struggled about nursing job changes. She loved her friends and family with an amazing love and loved God with all her heart. Mrs. Charlcie helped with the food ministry at Bethel and I remember her speaking to me at the meal after my granddaddy passed away. I thought about how I would receive another one of those hugs when Granny passed away last week. Instead she, Granny, and Granddaddy are rejoicing with Jesus together. I'll love the day when we can all see each other again. Until then I'll be praying for our families to be comforted by the Holy Spirit. I love you Boyd and Shannon families. May God bless you during this time.*
