“ *Charles Birdwell was one of the most caring understanding fun to be around loving man. I grew up in that family they are my second family. My best friend Julie his daughter and then there's Tiffany Nicole and Chad I love each and every one of them as they are my own sibling I will never forget the memories that I shared in that family and the fun times that me and the girls and Mr Charles had together He always treated me with love and as always if a family I know heaven is truly gained an angel and my thoughts and my prayers are with each and every one of those children May God bring them comfort. You will always be in my thoughts and I will never forget the memories and the fun times we all had together You will be missed*
