“ *First Sergeant Douglas is the true American Patriot. It was my privilege to serve with him and learn so much from him. His abilities to organize and conduct tank gunnery at a range was the equivalent of a Maestro conducting an Orchestra, it was pure art and synchronization.*

“ 1SG Douglas was one of the best NCOs that I had the privilege of serving along side. No nonsense and took care of his soldiers. He had the respect of all who he supervised. Many men are better humans from receiving his care, wisdom and guidance. Top, we'll see you at fiddlers green!
