“ Cheryl was such a wonderful, beautiful lady....both inside and out. She would sub for me at Westside whenever I needed her to. Not only was she a sub she was a true friend! She was truly an angel on earth and has certainly gained her wings in Heaven! I will miss her terribly.

“ I am so sorry to hear the passing of your grandma. I know all too well the pain of losing a close family member. I wish all the kind words we receive through this time helped with alleviating the pain, unfortunately, it does not. You and your family will be in my thoughts & prayers through this time. If you just need a ear of reason I am here to listen to anything and everything you need to get out.

“ Cheryl was One Special Gal! We traveled together overseas to other countries and shared many good time and fond memories. We grew a Special bond with our Credit Union as she was the Unarco Credit Union manager and loved helping people. When we merged that credit Union I told her she needed to remain involved and asked if she would be a board member? She said yes and has been a very valuable board member for 30 years❤️ She sacrificed many hours as a volunteer! My heart breaks as I will miss her terribly.😭
