“ Our neighborhood has gone quite...we will miss the "pipes" and your wave. You were truly welcomed and enjoyed at our table. Your sense of humor left a lasting impression. God has you now. Our prayers are with the family.

“ You are all in my thoughts and prayers. Christ was always someone that we could count on in times of need and in the times that we gathered together for a cookout and just to have some fun. He was and is a most precious young man. I can look around our home and see remember many good times. Chris Baker has touched the hearts and lives of many and will live forever in our hearts. I look forward to day that I will see you, again, Chris!
Love you, Buddy, and your preciuos family!
