“ *I am so sorry for your loss. He is a good friend of mine and my heart goes out to all of you. You are all in my prayers and I hope the Lord gives you the strength and perserverance to make it through this. Topher would want you to be strong for each other, and be strong for everyone else mourning this tragedy. My favorite memory is a couple of friends and I met up with chris to go chill at ,i guess his moms house, next to movie gallery. Ha ha we had alot of fun tht day. Or the time we were all running around outside Crazy J's house with our shirts off like we were the wolf pack from Twilight. Ha ha I miss you man. See you soon*

“ *I want to express my deepest sympathy to the family. Chris was a friend of my sons from school. I mainly knew him from the YMCA. He was very nice and respectful every time I saw him there, which was quite often. He always made a point to speak to me when he saw me at the YMCA. I was very impressed with Chris and felt like he was an outstanding young man. I am heartbroken over what has happened. My prayers are with his Family and Friends.*
