“ Dearest Midgett Family- You have my deepest sympathy in the loss of your husband and father. Chris was a very personable person who loved life. We worked in the same building. “ All of Chris's friends at Henkel extend our deepest sympathy to his family and loved ones. He was one of the first people we met when moving to our building in 2003 and he'll NEVER be forgotten. His sweet smile and kind disposition endeared him to us more than he probably realized. As tenants, he took great care of us. But Chris had a special way of making each one of us feel like more than one of his tenants. We were his friends and his presence is greatly missed. Please know how much we're thinking of you and we'll continue to honor Chris's memory.

“ Chris always had a wonderful smile and positive outlook on life. The passion for his family, work and baseball was no secret here at DDS. I will never forget his comforting words to me as I sometimes shared the elevator with him because of my claustrophobia. Knowing that he was there made me feel safe. This place will never be the same because of his untimely death. He will be sorely missed but never forgotten. May you and your family find peace in knowing that your husband, dad, son, and brother touched many lives who will carry his memory in their hearts for he made the world a better place.

“ *What a great man! Chris was always there to lend me a hand when I needed it. And always ready with a quick smile and kind word that brightened an otherwise bad day. Our paths only crossed at work but I will miss him. Chris touched many and know that we are here if you need anything. This has brought me solace in the past. Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow. I am the diamond glint on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you wake in the morning hush, I am the swift, uplifting rush Of quiet birds in circling flight. I am the soft starlight at night. Do not stand at my grave and weep. I am not there, I do not sleep. Do not stand at my grave and cry. I am not there, I did not die! Mary Frye (1932)*
