“ I have never seen Chuck without a smile on his face.... He was a great man and was very involved not only in the community that he lived in but also with the sports programs of Cheatham county and the youth program at his church. Our prayers to the entire family.

“ Chuck was the definition of what a true friend should be. I have so many memories of traveling over seas with him doing missions work. He was passionate for God, family, friends and life. He is irreplaceable but heaven has gained.

“ Chuck was a true man of God. He gave his all for his family and everyone else without thinking of himself first. The kingdom of God has gained a true saint. It was an honor to know Chuck. He will be greatly missed.
