“ I miss Cindy so much. I miss seeing her and talking with her. I miss our Wednesday morning prayer sessions. She was such a worker for the Lord. She loved the young ones. I recently sat in one of her children Sabbath School classes and was touched with how she taught the love of Jesus to the children. My condolences to Tom, Rachel, Rose and all the family. We have so many great memories of Cindy. Love to all. Glenda

“ Aunt Cindy was a constant presence throughout my life. So many family memories include her, but one in particular sticks out to me. One thing I admired about Aunt Cindy was her practical knowledge. About 10 years ago, I went to Jon and Tonya’s house to pick out a kitten. I went by myself, thinking I could figure out the gender and choose a girl. How hard could it be? I got back to Momaday’s house, kitten in tow, only to be informed by Aunt Cindy that the adorable kitten I had so carefully selected was in fact a girl. Back to Jon and Tonya’s I went, this time with Aunt Cindy! This was one of the only times I can remember spending one-on-one time with her. We talked all the way there and back. I asked all about her childhood in California and moving to Kentucky. She helped me successfully select a girl kitten, who Rob and I know and love as beloved cat Lola.

“ Miss Cindy was my Sabbath School teacher and leader in Adventurers. She was such a strong, wise leader with a soft heart for us young people. I have tons of great memories with her, but one funny memory that stands out to me I'd like to share. One Sabbath after church when I was about 5 years old, I came out of church to see my Mom's van driving out of the church parking lot and down the road. She had left me behind thinking I was in the car with my brothers. I looked around and found that my Sabbath School teacher, Miss Cindy stood nearby. I said, "Miss Cindy, my Mom just left me!" She put her hand on my shoulder and gently (and wisely) replied, "she'll be back, dear." She knew my Mom would return quickly as soon as she'd realized her mistake. Thank God for warm, loving mentors. I can't wait to see her in heaven.

“ Cindy was such a force for good in my and Medrith's life. She truly cared about us and our children as well as all the other children she helped nurture. I first saw how amazing she was at organizing at pathfinders and how she fed and took care of a large group during several campouts. This skill continued to show all through the years as she wore many hats and kept so many things going at once in our church family as well as her own interest at home with the gardens and chickens and other livestock as well as working as a nurse. She was one of my go to persons when I needed medical advice. She will be greatly missed by so many.

“ I have 2 distinct memories of Cindy that I would like to share. I could not choose just one. When I was in my early 20s I was cleaning a house for someone that always paid me by personal check. One time I was extremely low on gas, and when I left the residence, I ran out of gas on my way to the bank to cash the check. Both of my parents were at work at that time, and they called on Cindy to help me. Cindy came to my rescue with a gas can, and followed me to the bank to make sure I made it. She refused repayment from me. The other memory I have is more recent. I was in a horrible car accident in December 2 years ago, and was charged with a very serious violent offense against one of my children as a result. While the court proceedings were still happening, there was a no contact order between my children and I, and I couldn't go home. I ended up staying in a motorhome at a different location until that order was lifted. One night it got very cold, and the motor home didn't have any gas in it to run the furnace. Cindy once again came to my rescue, and brought me an electric space heater, and took me to the grocery store so I could purchase food. I loved her just as much as I do my own mother, and she will be greatly missed.

“ I grew up knowing Cindy like an aunt. I have so many fond memories of her with pathfinders and at ICC. One that stands out the most is when I got swimmers ear at camp and she was the only one I would let touch my ear. It was always such a comfort to me to have family at camp with me. She gave some of the best hugs and had one of the best laughs I have ever heard. I don't think i ever saw her without a smile on her face. I will miss her dearly

“ What a tireless worker for our church and Christian family in general. Carrying a banana box of food 🍌🍌 to potlucks, ministering to the children constantly, always somewhere around. She has led the way, now it's up to the rest of us to step up and TRY to fill the gap. Miss you Sister Cindy!!
