I had a lot of fun times with this man when I took my first public job at Wilson Sporting Goods. I have a painting of my house in my living room that he did several years ago. Claude, thank you for the fun times and friendship. I'll see you later. Prayers for the Family.

light that I would miss you so, and never find my way
then I heard the angel say "he's with you every day"
sun, the moon, the wind, the stars, will forever be around,
telling you of the love you shared, and the peace he's truly found."

never said I'm leaving, you never said goodbye,
were gone before I knew it, and only God knew why,
how times I needed you, a million times I cried,
I alone could have loved you, you never would have died,
I loved you dearly, in death I love you still,
Heard you hold a glass, that no one could ever fill,
As my heart to love you, but you didn't get alone,
all of me went with you, the day God took you home.
