“ I served with Claude in Vietnam during 1970. He was a squad leader in the platoon and he performed his job well, was respected by all the men in the platoon. He was a good friend to all and he made our job easier to do as safely as possible in a war zone. Claude was a trusted member of our group, he used his experience, good sense and humor to help everyone get thru difficult situations. The news of his passing saddens me deeply but I know in my heart he is with the Lord and looks down on all of us. I am sorry for your loss and hope this will help ease the pain. From the pictures posted here, they show a full life with loving family and friends. What more could a man ask for I am proud that I got to know this man and to call him my friend, Lt Sandy Tomasini
