“ I remember her coming up to me every night when I worked and asking for a tag and telling me how her mama made them take a bath every night before bed or else they would get a whooping she taught me so much in the time I got to work with her she will truly be missed

“ I knew Claudia for many years through Our Lady of Lourdes Church and working with her when United Ministries was at the church, in the Over 50 group and other activities, she was fun. Went to her wedding to Harry and spent many times listening to them talk about their families. She will certainly be missed for "telling it like it is" and be assured that she often talked about how much she loved all of her family.
