“ He was actually survived by 3 daughters. My mother being the oldest. He was my grandfather and I hate that I didn't get the chance to meet him besides when I was 4 years old. Mama and I resemble you a lot and I will love you forever.

*I am so sad to see this. He was a neighbor I never meet. We drove by his house every day for the last 3 yrs since we moved out on 25. I know he loved his 2 dogs, he made sure they were cared for. I enjoy seeing his pictures and seeing he was loved by a lot of people and just chose to live in that house. I am sad to learn of his passing but feel much better knowing he was a loved man. May he Rest In Peace
