“ *I never met Connie but I enjoyed talking with her about her family she was so proud of. I am Jerry's cousin in California. She impressed me as being a very caring woman with a big heart. I'm so glad she had the support of her family during her illness. My heart is broken for all of you. God Bless - Nancy Chaffee in Riverside Ca.*

“ Nana, you have impacted so many people in your lifetime ,I know you did mine. You took a stray and treated like your own. You taught me how to make good biscuits and gravy and turnips ..oh and that scrumptious Jam cake!! I prayed that you would be cured of your cancer, but God had other plans for you...  
You cared about many and always had your door open to anyone who needed it!  
I will miss you dearly and you will always be in my heart! I want to be like you when I grow up! I love you ALWAYS!

“ Will never forget all the fun and good times, so many memories, the food, floating on the river, ghost hunting, dancing, running on the railroad tracks in the middle of the night, exploring, doing arts and crafts of every type and staying with you when I needed a safe place to stay on more than one occasion. I love you and feel like I've lost more than a cousin. You are in my heart forever my dear Connie xoxo
