“ I didn't Corey personally but what I do remember about him was back when he played football for the Whitehouse Blue Devils. His was the only name I remember after all of these years. It seemed like his named was mentioned during every play! I was about 25 at the time and to me he was just a kid playing football. I guess in my mind he was still just a kid and this caught me by surprise. I want to give my condolences to the family and pray that God can help you through this difficult time. M Graulau

“ I can remember when Cory and Train walked into Calvary Baptist for the first time. They were like a ray of sunshine. You could tell right away the love they had for one another. We were so honored to be there for Megan and Cory's wedding! Blessed! We love you both and we will continue to pray for the family for peace that surpassed all understanding. You will see him again as he is with our Lord Jesus Christ. God Bless! The Lively's

“ *I can remember like it was yesterday, Cory helped me with my first car at the car lot he worked at. He was so nice, and so helpful. And I loved that car so much. I will always remember the summers with Graycey, Cory, and Trey at Papas house, swimming and riding golf carts. Those were the best days. My condolences from my family to yours. Praying hard and holding those memories tight.*
