“ When Cristina and I first met her and Brian were helping a beautiful little boy. That was the first thing that touched my heart about her not knowing at the time that later on we would be close friends. I considered Cristina and Brian both my family. They were angels on earth and I know they definitely have angel wings in heaven. You are where you have wanted to be for so long. I still can't believe you are gone. Thank God for giving me the chance to have an angel like you in my life. My heart goes out to your family. I'm praying for them. Rest easy sweetheart. I will see you again one day love. 💔

“ Cristina and Luz made a fun pair at Our Lady of Lourdes. I often got a chance to see them in action at the church when they helped families at weddings and other happy occasions. We will pray for the entire family during this very difficult time.
