How shocking to here this sad news, so, so sad and for this to happened twice for Prentice and family, Chrissie has been a part of our lives seems like forever, our girls enjoyed most of their childhood creating memories along with us as we did things together as a family. Great times, fun memories and our hearts are aching and heavy. This CANDLE will glow as a reminder of her twinkling eyes followed with a ready smile and hug. Angels have celebrated her entry into Heaven.
