“ Momma we all love and miss you! You were the perfect definition of " give the shirt off of one's back." You always tired to give your birthday and Christmas money away. Cause you got more happiness and pleasure off seeing other people happy than yourself. I hope you realize how much we miss you and wish you was still here. You was our rock holding the family down. I didn't know that till you have gone, but I see it now clearly.we all miss and love you and know you have moved on to another place with no pain and you deserve it more than anyone. I know. Just know we all love you and cant wait to see you again in the afterlife. Love T.J.
