“ *Where do I start. I've known Dale over 50 years! From riding Verdie's pigs when we were young boys until we were able to look at our families as grandfathers. We were a lot like brothers although I would jokingly call him my younger step-uncle. In between, we both moved from home sharing our first apartment and partied a lot! Went our separate ways but still found time to party. Later shared a duplex, and did I mention that we partied a lot? Well, we both left that duplex at different times, but for both of us, it was starting a new life with the loves of our lives, Becky and Linda. Brother, I love and miss you. Rest easy knowing that if Becky and Stacy need any thing, I'm here for them. Rest in peace man.*

“ *I can hear his voice as he'd greet me each time we got together with a quiet, simple, and loving "hey, babe, how're you doing?" Countless laughs on the beach (and waverunning!!), every holiday in memory, coconuts and tear-gas level shrimp boils, hard work and hospitality, Spaceballs on rainy vacation afternoons, fresh garden corn at Thanksgiving, giving and support, strength and stability, gentleness and love. These are all Uncle Dale to me---and so much more.*

“ I've had the PRIVILEGE of working with Dale for nearly 4 years. I can't put into words how much he meant to my department and Cheatham County Schools. He was not just our electrician, he was also a mentor and friend. I always knew that no matter what task he sent to do, no matter how big or small, he always had the children in mind. THANK YOU DALE! We love and miss you.

“ Dale wasn't just my co-worker...he was my friend. I will not forget all the times we made each other laugh, and the life advice that he gave me so freely. I am a better person for knowing him. It won't be the same not seeing his smiling face coming through the maintenance shop door. My sincerest condolences to his family.
