“ I wanted to say that I'm sorry for your loss. No doubt Damien will certainly be missed by his family and lifelong friends. His life was too short. We need encouraging thoughts to make it through difficult times like these. It's only natural that we yearn to see our loved ones again. The Bible provides an encouraging hope to see them again. John 5:28, 29, tells us that there will be a resurrection of our loved ones that have died. Not only will there be a resurrection, but we all have the opportunity to live forever together in a paradise earth. (Psalms 37:29) I hope that these scriptures bring a measure of comfort and peace to you and your family and please accept my deepest condolences.
