“ *What a wonderful young man Damon became. We will all miss his presence with us but find joy is a life well lived. I remember being with Scottie and Bobby when Damon was born. Scottie calls and said her water broke, Travis and I headed to their house to go to the hospital with them, hopped in Bobbys car and it was out of gas, hopped in our car and headed to the hospital. Within a few minutes out they came with this little red haired boy and the journey began. Damon, you will be missed by many folks who loved you. Rest well in your final journey. “ It is so hard to write this. I still can't believe that someone with such zest for life, for wanting to see the best in other's lives is no longer in my journey. I can only find solace in the fact that I was able to bask in Damon Potter's Glow for a moment under the sun, and until I see you again my friend... Hit 'em straight!

This was the last decent quality picture I have of Damon. Read the sign on the top left. Blew me away after a friend just pointed this out ❤️

I am shocked and saddened to learn of Damon's passing. I used to help him wrap Christmas presents for his mother, disguising them so she wouldn't know what they were. I only knew him as a child, but a delightful one.
