“ First of all, my condenses to Ian, Holly and David. I had the sincere pleasure of knowing Dan since 1989 when he was a loyal customer at the Video store I was managing. With Dan's expertise knowledge of our movie titles, I hired Dan as an employee. He was truly an asset to have on our staff.

As the years went by, Dan and I would run into each other occasionally. When he moved back home to help his Mom, our friendship renewed and we saw each other often. I want to thank Dan for the time you helped put the our daughter's swing set together in 2012.

I also had the pleasure of spending some time with his Mom. She offered to baby sit our one year old twin daughters right before her illness. Thanks to Ian I was able to keep in touch with Dan after he moved from home. I picked him up from Berry Hill housing and we spend some good time together at dinner. When he moved to Green Hills we would talk some on the phone but he told me I would need a wheel chair to pick him up.

In closing, thank you Dan for the fun times we had taking the kids to fun land at McDonald's. and a great friendship!
