

Daniel "Danny" James Poole

May 30, 2006 - July 3, 2025

Daniel "Danny" James Poole, age 19, of Orlinda, left this world on Thursday, July 3, 2025. Funeral Services will be Thursday, July 10, 2025 in the Chapel of Austin and Bell Funeral Home in Springfield at 1:30pm with Kristen Wilcox officiating. Burial will follow in Jake Link Cemetery in Cottontown with Shane Carroll, Steve Rahman, Gavin Blair, Colton Cline, David Poole, Dalton Pool, Dillon Poole and Landon Smith serving as pallbearers.

The family will receive friends on Thursday, prior to the service from 10:00am – 1:30pm.

Danny was born May 30, 2006, in Bowling Green, Kentucky to Jimmy Larry Poole, Jr. and Amanda Denise Sortini. Though his time with us was far too short, he lived every moment to the fullest. A beloved son, fiancé, brother, grandson, and nephew, Danny had a heart as big as his laugh and a spirit that lit up every room. He loved fast vehicles, loud trucks, and anything with an engine that roared. He worked hard every day, carrying himself with a maturity beyond his years, yet never lost the joy of being a "cut-up" – always smiling, laughing, and making others do the same.

He was fiercely loyal to his family – his mom and dad, his bonus mom and dad, his brothers, sisters, grandparents, aunt and uncle – and he cherished the love he shared with his fiancé. Danny was finding his relationship with

God. His presence brought warmth, his jokes brought laughter and his energy made memories that will last forever.

He will be deeply missed by all who knew and loved him.

He was preceded in death by his grandfather, Larry Poole Sr., great-grandmother, Honey Hill and nephew, Kayden Wayne.

Along with being survived by his parents, Danny is survived by his bonus parents; Shane and Ashley; fiancé, Chelsey Carroll; brothers, David Poole, Dalton Poole, Dillon Poole, Gavin Blair, Colton Cline, and Landon Smith; sisters, Brittany Frey, Laura Stankus, Monica Carroll; his cousin, Ditto; Uncle Steve and Aunt Sherry; grandmothers, Hope and Denise; and his 2 dogs, Nemo and Fluffy and cat, Milo.

“ I will never forget the occasion of my mother's funeral, on a cold February day 5 years ago, the presence of Danny, David and Dalton attending. They sat with me and with his grandparents on either side and we hugged them closely to us that day at Dorothy Sharp Warren's graveside... that was the kind of heart that Danny and his brothers had on that day for those of us gathered that day. Danny's caring heart will always be remembered, as he wrapped his loving arms around us on that day. My prayers and heart's cry that no other family would have to give up a child in such an unfortunate accident, will cause me to drive more carefully and whisper a prayer for safety for every motorcyclist that I see on the roads, when driving myself... “ I remember the first time I ever had a conversation with Danny. And it was the most unserious conversion ever just about his truck. he was telling me all of his funny story's and I didnt know him that well but me and him still talked multiple times. He was such a funny guy and had the sweetest soul. I hope you rest so easy buddy. will always miss you☐

“ I've known Danny for a few years as Clayton's best friend, he would deliberately make Clayton so mad by him and Gavin sending me a message through Snapchat just saying hey and sending me pictures of Clayton. He also helped me move into my now home over a year ago when Clayton had to work, it was Danny, Colton, and my 2nd oldest son Zayden! He was always willing to help out with any and everything. He will truly be missed and we loved him!

“ I’ve got so many favorite memories of danny, from him showing up in a new truck once a month, all the marketplace deals, breaking our trucks acting a fool together, fighting like brothers, to all the things Danny taught me about mechanic work. He will truly be missed. Thank you Danny for giving me a brother I never had. Love you bubba I’ll miss you til I see you again ❤️

“ My one really good memory of Danny is when Danny, David, Dalton, Amanda, and I all went to Beech Bend for Daltons birthday. There mom (Amanda) looked at me and told me that this is the first time all the boys had been together without fighting and ripping each other’s hair out. We swam for hours and then went on so many spinning rides. And the funniest thing that happened was went David got sick on the ride back and stuck his head out of Danny’s truck and got it all over the side of his truck. Danny looked at him and said,” As soon as we get to mom you’re washing that shit off my truck!” I might not have know Danny for long, but the way that David talks about all of the funny, dumb, and crazy ideas and things they have done growing up together I know he was an amazing person. He took both David and Dalton under his wing like they were his own kids and no matter what was always there for his little brothers.

“ I've know Danny since the second grade, so there is a lot of memories I could mention like door dashing trips, vacations, car rides. We used to bully each other so much, in a good way tho, but he was my best friend, my favorite thing we used to do was when I would go with Danny and my dad on the bikes I loved looking back and seeing him behind us, he'd always have his music so loud we couldn't hear ours. He was an amazing person and I love him so much, you will be very much missed Danny, i'll see you again one day.

“ There are so many memories that I have with Danny, from the first time meeting him about 3 years ago when my daughter brought him over to moving him in with my family. He made his way to the son spot in our family, lol, I love this boy I treated him like he was my own son. The days where we would go riding our motorcycles to all the jokes there was never a bad memory that I can think of. I love you my son until we ride again in heaven you are missed. Papas
