“ I am so truly sorry for your loss. She was such a sweet person and friend. I remember visiting with her in the mornings before clocking in for the day. We would talk about each of our families and what special things were going on in our lives and I would even help her get the carts ready in the mornings from time to time if she needed me to. I loved her very much and I will miss her deeply. I will have you all in my thoughts and prayers as the upcoming days will be hard, but she is looking down on all of us smiling and pain and sickness free. Love you Darlene 🥰

“ Darlene and I were together a lot as kids. My grandparents, Ethel and Bert would bring me to Nashville to visit and Darlene would come to Louisville in the summer. We had lots of fun listening to music and having cookouts. I will truly miss her smile. I hope each of you can find some comfort knowing she is no longer suffering. I know she had nothing but good things to say about her husband, son, daughter and grandchildren. I pray God helps each of you heal and remember her kindness! Love always, Tina Tower. ❤️ Cousins 4 ever!

“ To my cousins, Wayne, Robert Wayne, and Amber. I am so sorry. These coming days and years will be very difficult. Hold on to each other and cherish the memories. I really liked Darlene. Anita and I got to know her a little better a few years back on a train ride. There are no words that I can say to comfort you. God be with you and may you find comfort of some sort in Him.

Love cousins Tony and Anita

“ *Darlene was a co- worker and friend. We spent time talking about our children and grandchildren.*

Darlene always could make me laugh, even when a rough day at work we parted laughing.

Darlene made me a B-day cake one year, well a Balloon bday cake, I thought it looked a little different but Darlene had made me a cake! So I was excited! She hands me a knife and says " slice it and let's eat"

I proceeded to cut into the cake and the balloon popped! Whip cream went EVERYWHERE!!!! We laughed about that day for a long time.

*I will miss your smile, your Laugh and your Birthday cakes Darlene!
Love you Darlene 🥰*
