“ His favorite game was monopoly, I remember one time, when me, my family and him were playing the game, he had to leave to do something, i then landed on the park place/boardwalk, we had the amazing idea to hide the fact that i had the card, when he got back, he landed on the same thing, we then showed him that i had the card!!! i love him and i always will.

“ Share a memory, I have too many, Jim and I was very blessed to have you in our lives.  
The best son in law ever. Whenever he came to our home, he was always looking for something he could do. There is not one place in our home that your finger prints are not on. From our patio, and our ramp,  
To a new shower, new ceiling fans. As I told you thank you, so much.  
Thank you for loving our daughter, you was the love of her life.  
You was full of kindness, gentleness, goodness.  
We will miss you until we meet again.
