My Favorite Memories of David are when he'd stop in our store to visit with us and the guys sitting in the back. He always came in with the Biggest Smile and had Everyone Laughing when he left. My Deepest Sympathy and Love to His Family.

“ *This photo of him sitting on that tractor, for me, is "classic" David Hunter! Farming and smiling!! I have known him all my life and I don't ever remember seeing him without that sweet smile on his face. Another memory I will always have is seeing him come to school to eat lunch with his granddaughter...laughing and cutting up the whole time! I'm gonna miss seeing him around on his farm equipment, 4-wheeler or Ranger/cart but I have a permanent reminder of him right in my front yard and I will never forget how he noticed our flag was torn a while back and stopped in to ask us if it was time for a new one 😊 RIP "Chief"*

I've known David for over 50 years and Phyliss for 45. I was their for the birth of their 1st child and spent many days laughing and loving David's sense of humor. I've always admired this family as my closest of friends. God Bless Phyliss, Cole, Sloane and Maribeth at this time.

“ *A most colorful character I must say! I enjoyed David's energy and passion for his flag business and his family. I still can't believe he was called to rest.... may God Bless David and especially his family. Most important I extend my love to Phillis, who is an absolute beautiful Lady. There really aren't any words, other than I am praying for the entire family that with time, they will be filled with David's lively life!*

“ My memories of David started in first grade at Bethel, where out of the 7 students in our class, 3 of us were Hunters. I always felt 'Kin' even though our close kinship went back several generations. We went through all 12 grades together and have been neighbors ever since. When our children were small, they always told us that if anything happened to us they wanted to live with "Miss" Phyllis and Mr. David. We have always known our families would be there for each other. It would take too much space to share all the antics I remember of David, but each brings a smile to my face as I recall this "one of a kind" friend. His presence will be sorely missed. Our love and prayers go to everyone in David's family. May you have peace and comfort in knowing that one day you will be reunited again. Much love to you all. Rosemary and Al Klein and Family
