“ Mr. Floyd was a special kind of person that only comes around far few too often. He had a quick witt, great sense of humor along with a great sense of compassion for the people around him. His love for his dogs, family and especially his faith made him the great guy that he was. He will be sadly missed but will not be forgotten by those whose lives that he touched. Rest in peace my friend!

“ Toni, we are very sorry to hear about the passing of your father. There are no words or anything we can say to make the pain go away, but i can assure you that after a period of time the sorrow you feel will one day turn to memories of joy you shared together. People in our lives come and go but the memories last forever. I miss my mom and dad everyday, but whenever i think of them i always laugh at something they say or did. Just wanted to let you know were thinking of you. Love, Dan & Mary

“ My thoughts, prayers, love and friendship are with you all!
One of my favorite things about David, he was such a kid about Christmas. He would ask me every time he saw me how many "trees" I would be decorating that year. I will always think of him as I decorate for the Holidays!
