“ *My heart and prayers goes out to the family and may you find peace of knowing he is with the Lord. I only knew David for a short few months and he loved his family and spoke of them often. He meet many people along the way some were very special to him. He had a wonderful heart for love of people and those that had done special things for him. He love his cats Pruddy and Little Bitt and called them his family which I to got to know along the way I got to know David.*

*I will always remember David as a friend and how he shared his memorials with me of the love for family and friends and his two furry babies.*

*May he rest in peace*

*Love and prayers*
