“ Family, we love you and are praying for you. I am so sorry we couldn't come to David's funeral but our thoughts and prayers are still with you all.

Growing up I had two cousins. I had the biggest crush on both of them. Of course Joe with all that long blonde hair. lol lol lol. I thought he was a rock star. After I was older I knew he was a rock star. He played the guitar in a band and I thought he was so cute! Later in years as I really got to know joy what a hoot. With all his jokes and things.

The other was my cousin David. On my gosh. Was he the most handsome guy ever! I use to get so excited when he would come visit us. I remember my mama getting excited when David would call and say Aunt. Christine do you have room for me tonight? Of course the answer was always yes. I remember waiting sometimes it seemed like hours and hours waiting on him to walk through that door and sit at the bar. He was so good looking! I was so shy I couldn't even say hello. We loved his sometimes last minute quick visits. I always loved to see him. What a crush I had on him. Over the years as I grew up things never changed but still had a crush on him and thought he was such a good looking guy. David, you are greatly missed and loved by so many. I know you are at peace now and celebrating with so many countless others that have gone on before us.

Rest in peace. Until we meet again. We love yall.
